

# **Agenda**

## **Sensor Science & Technology Forum for Robotics & Unmanned Systems.**

26 June 2009 - Virginia Modeling Analysis and Simulation Center, Suffolk, Virginia

### **7:30 – 8:15**

Registration, Networking, Continental Breakfast

### **8:10 – 8:30**

Welcome and Introductions

William Bean, College of William & Mary

Dr. John Sokolowski, Executive Director, VMASC

Presentations by Event Organizers

Hampton Roads Technology Council

Hampton Roads Research Partnership

Association for Unmanned Vehicles and Systems International and Robot Venture

### **8:30 – 9:30**

Keynote Presentation – Dr. Jonathan Bornstein, Chief, Army Research Laboratory Robotics Program Office, Collaborative Alliance Manager for the Robotics Collaborative Technology Alliance.

Introduced by: Mr. Bob McKisson, President, Hampton roads AUVSI Chapter

### **9:35 – 10:45**

Government Representative Panel Presentations and Discussion

Moderator: Mr. Bill Piersol, Klett Consulting

Panelists:

- Navy Surface Warfare Center, Dam Neck – Mr. Scott Keenan, Netted Sensors Project Manager
- Army Aviation Applied Technology Directorate – Mr. Raymond Wall, Chief of Technology Integration Division, Army Aviation Applied Technology Directorate
- Navy Surface Warfare Center, Carderock – Mr. Eric Hansen, Combatant Craft Division: Autonomous Maritime Navigation and Griffin programs
- Space and Naval Warfare Systems Center Pacific – Mr. Chris Mailey, OSD Mentor Protégé Program, Robotics Initiative Program Manager.

### **10:45 – 11:00 Break**

### **11:00 – 12:15**

Academia and Industry Panel Presentations and Discussion

Moderator: William Bean, College of William & Mary

- Old Dominion University, Dr. G. Zhou
- Virginia Institute of Marine Science, Dr. Mark Patterson
- Oceana Sensor, Mr. Rick Lally, CEO
- Measurement Specialties Inc, Mr. Don Halvorsen, Director for Piezo Products

### **12:15 – 12:45**

Lunch and Networking

### **12:45 – 1:15**

Luncheon Presentation

Ms. Susan Patterson, director, CAVIAR

Dr. John Sokolowski, Executive director, VMASC.

### **1:15 – 1:30**

Final Comments and Adjourn
